

Animal Shelter and Veterinarian List

The foundation has another request from Ukrainian personnel who work with abandoned animals whose heartbroken owners had to leave Ukraine to save their lives from Putin's army. These dogs, cats, and other small and large animals rely on an army of volunteers/veterinarian doctors/technicians and animal lovers.

Supplies are very low and this is their wish list:

- Medication to fight fleas/ticks/heartworm
- Special food for dogs and cats with kidney/urinary problems
- Food for puppies and kittens
- Powdered milk for dogs and cats
- Any veterinarian equipment
- Anti-allergy medicine
- Bandages, ear care and eye care
- Medication to stop bleeding
- Animal cages – different sizes
- Cat and dogs vaccines
- Cat and dogs antibiotics
- Disposable syringes
- Dental chew for dogs
- Leashes and collars
- Toys for puppies/kittens
- Dog good dry, dog food cans
- Cat food dry, cat food cans
- Chews and rawhide
- Arthritis and pain relief medications
- Wound care
